Coach Phil Warford

Coach Phil Warford was a consistent and major figure in Moore High School and Oklahoma sports for many years. Beginning his career in Moore as a teacher and coach in 1969.

He announced football games at Moore Junior High and High School for 48+ years which totaled over 200 high school football games! Basketball was the game he announced the most, though.

He started announcing Moore High School games in 1975, announced basketball for the All State games for 48+ years and over 300 high school basketball state tournament games! He even announced the McDonald's All

American Classic game. There were numerous All College Classics games that he announced at The Myriad. In addition, there were

Division 1 and Division II NAIA basketball games and some professional basketball games, too. The last football game he announced was the Moore versus Norman football game early September 2021 and then he announced the first Moore High basketball game in 2021. He announced every JNT until Covid and illness took him away. Hearing Coach's voice as one entered a stadium, gym or field made many feel as if they were returning to a familiar home. His ability to remember stories about his students was phenomenal. Coach Phil Warford touched so many lives in so many ways and will be remembered forever in numberless hearts!

Phil Warford passed away August 15 2022.

The John Nobles Invitational, previously called the Moore Invitational, was renamed to honor the late coaching legend. The Moore Invitational was first started in 1976 by John Nobles and was originally a 16 team, all girls tournament. For 48 years, the invitational has been held right here in the Douglass H.
